IMPORTANT - CHECK YOUR COURSE LOCATION

Please check the course location shown on the title page of this document before travelling. Warsash Maritime School operates across **three** different campuses. It's important to make sure you travel to the correct campus, as arriving at the wrong location may prevent you from attending your course.

Please ensure that you read all the details within this document thoroughly. This document contains:

- Pre-Course Preparation
- Pre-Requisites / Entry Requirements
- Enrolment
- Attendance
- Certification
- Clothing / Special Requirements
- Course Accreditation
- Course Aims
- Course Objectives
- Course Assessment Method
- Course Timetable

On completion of the course, you will be asked to complete an evaluation form as part of our drive to maintain a high level of service and quality on our courses. We find delegate feedback very useful and welcome your comments.

Pre-course Preparation

Please find the link for an electronic version of the notes for you to download to keep. It is not a requirement to print these off or read prior to the course but they support all the learning delivered for reference.

Pre-requisites/Entry Requirements

In order to join the updating course you must show documentary evidence of having completed the full course previously.

This can be a certificate as follows:

- STCW Advanced Fire Fighting (AFF) - A-VI/3
- MNTB 4 Day Fire Fighting Course (recognised equivalent pre 31 January 2000)

Where these cannot be produced the following MCA certificates are acceptable:

- Current, valid UK COC (Management level)

Enrolment

Delegates are required to bring photographic ID, either a UK driving licence or passport. Delegates must bring proof of relevant certificates.

Attendance

Full (100%) attendance is mandatory. Failure to attend all scheduled sessions may result in your withdrawal from the course or your certificate being withheld. If you miss any part of the course, you may be required to rebook and attend on another date at your own expense.

Clothing/Special Requirements

This is a classroom based course so no special clothing is required.

Course Accreditation

MCA (UK) to STCW Table A-VI/3

Course Aims

To provide the full updating training for seafarers holding an existing advanced fire certificate

Course Structure/Content

The course is 1 day and is classroom-based theory only.

Course Assessment Method

The course is assessed through oral questioning, observation and group work.

Course Timetable
